

Attention FDA

0457 '00 APR -6 P1:37

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

*NO! Should not be forced to Have a medical Exam.
If they do they should pay for it*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

*my mother Doesn't Drive She ~~must~~ must get
Someone to ~~take~~ Take her. She is 78 yrs old
and lives in a rural area where there are no
Buses and Taxi Cabs cost around \$15.00 oneway*

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

*I will go
without The aids.*

NO They Should Not be allowed To!!

4. Should I be allowed to purchase hearing aids by mail as I choose?

Yes. It is my Right.
