

# Attention FDA

0575 '00 APR -6 P1:43

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

*No, I don't believe anyone should be forced to do anything they don't want to do.*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

*Rude Doctors*

*Although some are wonderful*

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

*No.*

4. Should I be allowed to purchase hearing aids by mail as I choose?

*I certainly think so. I'm very happy with mine.*
