

To Whom It May Concern:

I understand that a petition has been filed with the  
FDA in Washington, DC to ban the use of genetically  
engineered Bovine Growth Hormone on dairy cows.

2809 '00 APR 21 PT 38  
I urge action on Docket #99P-4613 to prevent the use  
of unhealthy and inhumane BGH on dairies.

Thank you for your attention to and consideration of  
this critical animal welfare concern.

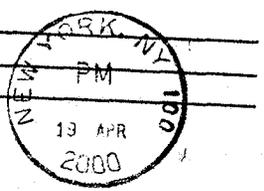

Very truly yours,

*Louise M. Carby*
