Docket 99P-0033/CP-1

Dear Commissioner Henney:

I understand that a petition has been filed by the Humane Farming Association which would put an end to the practice of feeding dead pigs, horses and other animals to farm animals. Cows are not meat eaters by nature and should not be forced to eat dead animals. This practice also furthers the risk for the spread of CJD-like diseases. Please act on the HFA petition and ban this practice immediately.

Sincerely,

Judith E. Embry
