RE: Docket 99P-0033/CP 1

Dear Ms Henney:

I am writing to request that the Food and Drug Administration act on the HFA petition to put an end to the practice of feeding dead animals, including those of pigs and horses, to farm animals. Cows are not meat eaters by nature and they should not be forced to eat dead animals.

This practice should be ended immediately! Besides being unhealthy for the cows, it poses a serious health threat to humans.

Sincerely,

(Mrs.) Diane Marvin
