Dear Comm. Henny:

I am writing this letter so that you can help in urging the government to; **PROHIBIT LIVESTOCK PRODUCERS FROM ROUTINELY ADDING MEDICALLY IMPORTANT ANTIBIOTICS TO ANIMAL FEED TO PROMOTE GROWTH.**

I see where: The Clinton Administration, in a misguided effort to protect US. meat packers and drug companies, is protesting this decision. We should not let US. trade policy endanger the publics health.

I see where: The Europeon union has sensibly banned antibiotics used by humans from animal feed, a decision supported by the Centers for Disease Control and the World Health Organization.

We need your help--Please reply.

Yours truly

Agnes Eanes
