RE: Docket Number 94P-0036

Ladies and Gentlemen:

I strongly urge you to require the trans-fat content of food to be listed on labels alongside saturated fat. They are more damaging to one's health than saturated fats and the public has a right to know the percentage of trans-fat in the foods they purchase and consume.

Thank you for your consideration of my request.

Sincerely,

Marilyn F. Woodall

94 P - 0036
