Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statement:

- (1) Iodine is an integral part of the thyroid hormones and helps the thyroid gland to function properly.\*

This statement is made for a dietary supplement containing a proprietary blend of *stombus gigas* (conch), carrot (root), bovine liver, and echinacea (root). Other ingredients include honey, prolamine iodine (zein), and calcium stearate. And the name of the product is Iodomere®.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden  
Standard Process Inc.
