Dear Sir/Madam:

Notice is hereby given pursuant to the requirements of Section 403(r)(6) (21 U.S.C.(r)(6)) of the Federal Food, Drug and Cosmetic Act and in accordance with the requirements of 21 C.F.R. 101.93, that Compare Generiks, Inc., 60 Davids Drive, Hauppauge, New York 11788, is marketing a dietary supplement bearing the following statement(s) on the label and/or in the labeling:

TEXT OF CLAIMS AND INGREDIENTS SUBJECT TO CLAIMS

**Overall Claim
for product:** Enhances your diet and provides energy.

**Overall Claim
for product:** Just in time for the Millennium comes MetaboLeap 2000, the next generation of weight loss supplements. MetaboLeap 2000 has potent all natural herbs from around the globe - herbs to help with your weight loss plan. How? MetaboLeap 2000 was formulated to help raise your metabolism, creating a "thermogenic" response to help burn fat, and effectively turn the calories the you eat into energy.

Vitamin E: Supplies oxygen to the body to help give you more endurance; may help provide energy.

97S - 0162

LET 4712

Magnesium: Essential for muscle and nerve functioning; important for converting blood sugar into energy; promotes a healthy cardio vascular system; helps promote tranquility.

Zinc: Essential for protein synthesis and brain functioning; helps promote mental alertness.

Chromium Picolinate: One of the most bioavailable forms of chromium available; works with insulin in the metabolism of sugar; is said to help keep energy levels at a constant.

Ephedra (Ma Huang): Said to help speed up the metabolism and help provide energy.

Guarana: Said to help increase mental alertness and help maintain normal energy levels.

Bee Pollen: Used for centuries, pollen may help promote and sustain energy.

Ginseng: An adaptogen, ginseng is said to help regulate and maintain body functions.

Ginger: Helps support normal digestion.

Lecithin: May help convert stored fat into usable energy sources; detoxifies liver; helps maintain healthy nerve and cardio vascular systems.

Bovine Complex: Helps support and promote healthy joint cartilage tissue; helps protect skin's collagen and may help enhance the immune system.

Damiana: Promotes a feeling of well being.

Sarsaparilla: Helps induce sweating and urination and has been used for centuries as a blood purifier.

Goldenseal: Overall support herb; may help promote proper digestion.
