RAPIDRY ~~333~~

Dear Pharmacist:

You recently received a mailing from us that included the two Tylenol® Arthritis shelf talkers pictured below. We have been advised that the wording on these two promotional items does not conform to regulatory requirements. Therefore, we request that these two shelf talkers be removed from your pharmacy shelves and discarded. We appreciate your support and apologize for any inconvenience we have caused.

Sincerely,

Thomas W. Carr
McNeil Consumer Healthcare
