Lynn A. Larsen, Ph.D.  
Director  
Division of Programs and Enforcement Policy  
Office of Special Nutritionals  
Center for Food Safety and Applied Nutrition  
Food and Drug Administration  
Washington, D.C. 20204

Dear Dr. Larsen:

This letter is in response to your communication dated November 12, 1999 regarding a previously submitted statement of nutritional support relative to Herbalogix's Enzyme Time™ product. Herbalogix agrees to revise its "...regulate the presence of unwanted bacteria." statement to "...regulate normal intestinal bacterial flora."

Please contact me should you have any questions or concerns regarding the above.

Best of Health,

A handwritten signature in black ink, appearing to read "Joel E. Rath".
