**Notification for Certain Types of Statements on Dietary Supplements**

This serves as notification that

**Macrogenix BV**

with offices presently at:

Boekweitstraat 76  
2153 GL Nieuw Venneep  
The Netherlands

markets or intends to market a dietary supplement product with the following statements:

**Text of statement:**

Nutritional support for joint and skeletal physiology.  
XA35 is indicated for all persons for optimum bone, cartilage and connective tissue nutrition, such as capsules, ligaments and tendons.  
XA35 is a natural product which contains no toxic substance or forbidden ingredients for humans or animals. The product has no side effects and may be administered over long periods.

This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.  
XA35 is recommended for persons over 35 years of age as a 4-month treatment.
