

SUSPEND ALL Genetically
Dear Commissioner Henney, engineered foods
IT IS INVITING DISASTER.

I am writing to request your support for legislation
that will require clear labeling of all genetically
engineered (GE) foods (Docket No. 00P-1211/CP1).
I believe that as an American consumer, I deserve
the right to make an informed choice when
buying foods. Without labeling information,
I will not be able to tell the difference between a
genetically engineered and a non-GE product.

I strongly urge the FDA, USDA and manufacturers
to suspend the further introduction of genetically
engineered crops to the market without clear
labeling guidelines and long-term environmental
and human safety testing.

Please let me know if you intend to support this
legislation. Thank you.
