Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) The ingredients in Zymex Capsules work to promote and maintain this ideal healthy pH range in the intestinal tract.
- (2) Zymex Capsules keeps your digestive system healthy.
- (3) Wheat germ provides a rich source of essential fatty acids, B-complex vitamins, and fiber to promote healthy functioning of the digestive tract. Beets help moisten the intestines to encourage healthy peristalsis and help maintain regularity.
- (4) Zymex Capsules establishes a healthy intestinal environment.
- (5) The ingredients found in Zymex Capsules work together to provide a healthy intestinal environment to support the growth of important intestinal flora and to maintain proper digestive function.
- (6) Zymex Capsules keeps your immune system healthy.
- (7) Zymex Capsules contain the nutrients that support the establishment and maintenance of beneficial intestinal flora and proper pH.

These statements are made for a dietary supplement containing a proprietary blend of defatted wheat (germ), lactose, enzymatically processed Tillandsia usneoides, and beet (root). Other ingredients include gelatin, water, calcium stearate, and natural colors.. The name of the product is Zymex® (Capsules).
