Dr. Jane Henry, Commissioner
Food and Drug Administration
5600 Fishers Lane
Rockville, MD 20857

Dear Dr. Henry:

It has come to my attention that the dairy industry wants to prevent various producers from using the term "milk" on their products. I urge you to require dairy milk to be clearly labeled (cows', goat, etc.) and to allow non-dairy products such as soy milk, coconut milk and others to use the name. The thought of prohibiting the latter is ridiculous!

Sincerely,

Helen A. Jankoski
