

Attention FDA

4951 '00 MAR 21 A9:40

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam? 1. NO 2. YES

you require it (you) pay for it.

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ... I had my ears checked and tried Nu-car - Beltone Sears ect. NONE of these worked like the ones I purchased from Excel.

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment? NO

4. Should I be allowed to purchase hearing aids by mail as I choose? YES

I sure as hell can tell you better than some Rocket Scientist Audiologist if I can hear better with certain Aids.
