

# Attention FDA

5606 '00 MAR 22 A10:30

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

HOW AMED FOR WHAT I SPEND MY PERSONAL FUNDS FOR IS PRIVATE.  
WHAT FORM DO I NEED FOR CRUTCHES?

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

MY NEIGHBOR WAS CHARGED 3,000 DOLLARS FOR AIDS HE DID NOT NEED.

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

THE FDA SHOULD ~~NOT~~ FOCUS ON ILLEGAL DRUGS.

4. Should I be allowed to purchase hearing aids by mail as I choose?

I CERTAINLY SHOULD
