

Donna Shalala, Secretary, U. S. Dept. of Health and Human Services
Irradiation in the Production, Processing and Handling of Food

Dear Secretary Shalala: **HELLO** *1041 TO MAR 13 P12,06. Please don't irradiate us.*
I am concerned about the FDA's proposal to eliminate the labels from foods
treated with radiation. I strongly believe I have a right to know if my food
has been irradiated. I urge you to support the rights of citizens by
maintaining permanent, prominent and precise labels for all foods treated
by radiation.

Sincerely,

Name: *Edna Wagner*
