

Attention FDA

5691 '00 MAR 22 AIO:37

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

no, have had good experience buying direct with no exam or test

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

Have purchased hearing aids with exams and fitting and the results are no better than without

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

no _____

4. Should I be allowed to purchase hearing aids by mail as I choose?

yes _____
