

To Whom It May Concern:

I understand that a petition has been filed with the FDA in Washington, DC to ban the use of genetically engineered Bovine Growth Hormone on dairy cows.

I urge action on Docket #99P-4613 to prevent the use of unhealthy and inhumane BGH on dairies.

Thank you for your attention to and consideration of this critical animal welfare concern.

Very truly yours,

A handwritten signature in black ink, appearing to be 'M. J. ...', written over the typed text 'Very truly yours,'.
