TO: The Record

Bennett & Company submitted a suitability petition, 96P-0155/CP1, which was filed on May 17, 1996. Final action has not been taken on this petition. The Office of Generic Drugs has contacted the firm to determine their interest in pursuing this petition. The firm stated that they would make a decision regarding this petition by April 24, 2000. The petitioner also stated that a lack of a response by April 24, 2000 would constitute a voluntary withdrawal. Based on this information, petition 96P-0155/CP1 should be considered withdrawn.
