

# Attention FDA

0086 '00 MAY -4 AIO:22

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

*No* 1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam? *yes*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ... *lots of people live in rural areas they have to travel 30 to 50 miles for a hearing test. This puts a big burden on these people PLUS the extra costs we will have*

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment? *NO*

4. Should I be allowed to purchase hearing aids by mail as I choose? *yes*
