

# Attention FDA

0229 '00 MAY -4 A10:44

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

*Absolutely Not!! I am an 80 year old man of very sound mind, and I do not appreciate any branch of the Federal Government sticking their nose into my hearing aid.*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

*We have freedom to buy our hearing aids wherever we please, and that way we are not charged an arm & a leg for them now. Otherwise we would be overcharged.*

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

*Absolutely Not!! The Clintons has tried the interfer in our Medical life, and we do not need or want their or your interference. Stay Out Of My Business!!*

4. Should I be allowed to purchase hearing aids by mail as I choose?

*Absolutely Yes!! Unless the FDA is going to pay for the hearing test, and also the hearing aids. Otherwise we will take care of our money.*
