> A current Reuters (April 28, 2000) publication indicated that the FDA
> plans to
> hold a public meeting to examine the issues surrounding status changes for
> drugs
> from prescription to nonprescription status.

>

> I am a Senior Regulatory Officer with Therapeutic Products Programme/
> Health
> Protection Branch working on the Canadian equivalent policy. As such, I
> would
> greatly appreciate participating in your upcoming meeting (June 28-29) in
> Gaithersburg, Maryland.

>

> Thank you
