Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statement:

- (1) Ferrofood contains iron which is an important nutrient essential for the synthesis of hemoglobin, and also part of some of the enzymes needed for cell respiration.*

This statement is made for a dietary supplement containing a proprietary blend of bovine liver, bovine bone, carbamide, defatted wheat (germ), porcine duodenum, bovine spleen PMG™ Extract, bovine adrenal, carrot (root), oat flour, veal bone, choline bitartrate, bovine spleen, ovine spleen, citric acid, porcine stomach parenchyma, dried alfalfa juice, mushroom, *Tillandsia usneoides*, peanut (bran), dicalcium phosphate, licorice (root), potassium para-aminobenzoate, magnesium citrate, flaxseed oil extract, bovine liver fat extract, and mixed tocopherols. Other ingredients include gelatin, ferrous lactate, ascorbic acid, water, calcium stearate, natural colors, and cyanocobalamin. And the name of the product is Ferrofood®.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
