Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) Thytrophin PMG contains Protomorphogen™ extracts which are uniquely derived nucleoprotein-mineral extracts that support cellular health.
- (2) Bovine thyroid PMG™ extract helps maintain the thyroid tissues in a good state of repair to support healthy thyroid function.

These statements are made for a dietary supplement containing a proprietary blend of Magnesium citrate, and bovine thyroid PMG™ extract, (processed to remove its thyroxine). Other ingredients include Calcium lactate, cellulose, and calcium stearate. And the name of the product is Thytrophin PMG®.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
