Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

1. The many essential metabolic and physiological functions performed by these two important vitamin complexes include the maintenance of healthy skin and connective tissues, as well as the support of the immune and hematopoietic systems.
2. Vitamins A and C provide antioxidant protection for women at any age.

These statements are made for a dietary supplement containing a proprietary blend of carrot (root), echinacea (root), calcium lactate, bovine adrenal, bovine kidney, nutritional yeast, magnesium citrate, alfalfa flour, dried alfalfa juice, mushroom, dried buckwheat (leaf) juice, buckwheat (seed), bovine bone, defatted wheat (germ), oat flour, soy bean lecithin, veal bone meal, mixed tocopherols, peanut (bran), and carrot oil. Other ingredients include honey, ascorbic acid, arabic gum, calcium stearate, vitamin A palmitate, and gelatin. The name of the product is Cataplex® A-C.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
