Jennifer Martin

To whom it may concern,

I'm writing concerning docket number 98P-0151/CPI. I'm very much against the use of downed animals in our market and wish to urge you to grant this petition and prohibit the slaughter of downed animals.

This could very well save human life and reduce the extreme cruelty in the meat market by forcing the industry to care for their animals.

Please stop the torture involved in this practice and pass this petition.

Thank you,
Jennifer Martin
