FDA Commissioner  
Docket No. OON-1396 & Docket No. OOD-1598  
Dockets Management Branch (HFA-305)  
Food and Drug Administration  
5630 Fishers Lane, Room 1061  
Rockville, MD 20852

Dear Commissioner —

We consumers have the right to know if the food we are considering buying has been genetically engineered. There should be mandatory pre-market safety testing of these products and their environmental effects need to be reviewed. The public needs to be fully informed and proper research must be conducted.

Thank you for giving full consideration  
to these important matters of public health + safety,

Susan Goldberg
