Dear Mr. Hunter:

I am writing in response to the Federal Register notice (Vol. 66, No. 6) published on January 9, 2001 advising of FDA seeking volunteers for the pilot project involving the electronic filing of drug registration and listing information.

Wyeth-Ayerst is interested in participating in this pilot project. We presently maintain approximately 900 product listings under 11 labeler codes and 12 drug establishment registrations in an Access database. We believe this program offers an excellent opportunity to test electronic communication between FDA and Wyeth-Ayerst.

I look forward to hearing from you regarding our participation. Please contact me at (610) 902-3726 or by facsimile at (610) 964-5686.

Sincerely,

WYETH-AYERST LABORATORIES
