Dear Sir/Madam,

In accordance with 21 CFR 101.93, SmithKline Beecham Consumer Healthcare, Pittsburgh, PA 15205, is hereby giving notice that marketing of a dietary supplement has been initiated for a product that bears the following statements on the labeling or in the labeling:

Statements: Clinically shown to help reduce typical PMS (pre-menstrual syndrome) symptoms including bloating cramps, irritability, moodiness

Subject of Claims: Calcium Carbonate USP

Name of Supplement: TUMS Calcium For Life PMS Dietary Supplement

Please accept this notification as a replacement for Notification previously submitted to the FDA on September 14, 2000. The original Notification contained an editorial error. The information contained in this notice is complete and accurate and SmithKline Beecham Consumer Healthcare has substantiation that the statements are truthful and not misleading.

Should you have any questions pertaining to this notification, please contact me at (973) 889-2156.

Sincerely,

A handwritten signature in black ink, appearing to read "Diane D. McPherson".
