Honorable Donna E. Shalala  
Secretary of Health and Human Services  
Washington, D.C. 20201

Dear Secretary Shalala:

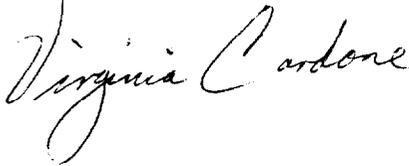

I work in the hearing aid business and I am upset about the FDA proposal that would change hearing health care and the dispensing of hearing aids.

If this proposal is passed it would mean the loss of my job and the jobs of many other people.

Please do whatever you can to stop the FDA from passing this proposal.

Sincerely,

Virginia Cardone
