Honorable Donna E. Shalala
Secretary of Health and Human Services
Washington, D.C. 20201

Dear Secretary Shalala:

I am concerned about the FDA proposal to change hearing health care and the dispensing of hearing aids.

I make my living in the hearing aid business and if this proposal is passed it would eliminate my job and many other peoples.

I urge you to do whatever you can to stop the FDA from acting on this proposal and putting all of us out of work.

Sincerely,

Pat Finlayson
