

Dear Dr. Henney,

I am writing to express my concern over the FDA's regulation of genetically engineered (GE) food. I request that the agency's current policies be changed, and I support all the points in docket #00P-1211\CP1

All GE foods should be labeled so I am informed and have a choice.

GE foods should not be assumed to be "generally recognized as safe" and should have mandatory pre-market safety testing

There should be a moratorium on GE foods until long-term studies show they are safe for human health and the environment.

Commissioner Jane Henney  
Docket No. 00P-1211\CP1  
FDA Dockets Management Branch  
(HFA-305)  
5630 Fishers Lane, Room 1061  
Rockville MD 20852

(Additional Personal Comments:) Please vote to support  
adequate labelling and appropriate testing  
for Genetically Engineered "Foods".
