FDA:

It has been brought to my attention that a petition prohibiting the slaughter of 'downed' animals is currently being reviewed by you. The purpose of my letter is to help persuade you to accept this petition, 98P-0151/CP1. There is no excuse for these poor defenseless animals to be treated inhumanely. Thank you for your consideration.

Sincerely,

Heather Palmateer

98P-0151
