

To: FDA Dockets Management Branch, Docket No. 90N-0361,  
12420 Parklawn Drive, Rockville, Maryland 20857

I urge you to conduct better studies on the safety of MSG and to restrict its use if appropriate. Until then, any ingredient known to contain free glutamate (HVP, for example) should be followed by the words "(contains glutamate)" when it appears on a food label.

Name Mrs. DORIS M QUIST  
Address 11 Norman Ridge  
City, State, Zip Bloomington, MD 21113 P1-29  
55437

*It's poison for me -  
I have to read every  
label and not eat out.  
Doris Quist*
