Ms. Lois M. Ruffner
307 Oak St
Greensburg PA 15601-5526

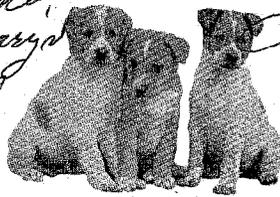

To whom it may concern, (and it should concern everyone.)

I implore the people responsible for these inhumane and unconscionable acts against animals, to imagine how they would feel if they were being treated in that manner.

We all have the ~~same~~ ability to feel pain and fear, and the animals are unable to defend themselves.

In my mind they are ^{more} our most honorable creatures. Unlike people, they never desert their own. They should be treated with respect, as we all want to be.

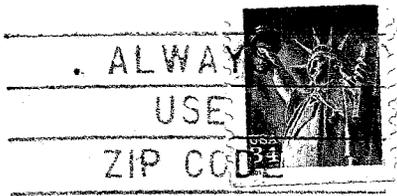

Please grant the Green, Sanctuary ~~protection~~ ^{protection} for downed animals.

Sincerely,
Lois M. Ruffner
