Dear Amy Buringrud,

This letter is to acknowledge the receipt of your form letter in regards to genetically engineered foods.

I can assure that we, as well as others in the food industry, take the safety of the public as a very serious matter.

Thriftway has and will continue to abide by federal, state and local laws in regards to labeling.

Sincerely,

Nolan Lockwood
General Manager
Thriftway, Washington's Food Stores

→ not even signed! Harsh!

It wasn't,
but oh well
