St. Johns, Newfoundland, Canada A1b 3N4

And

Louis B. Brock
Acting Chief, Regulations Management Staff
Center for Food Safety and Applied Nutrition, HFS-024

Subject: Docket No. 00P-1363/CP1

On June 16, 2000, Mr. Vernon Matheson, submitted, on behalf of the Iceberg Industries Corporation, a petition requesting that the Food and Drug Administration amend the standard of identity for Bottled Water (21 CFR Part 165) to include a category of water to be known as Iceberg Water.

Mr. Brock called Mr. Matheson to ascertain whether this petition could be closed in light of his more recently submitted petition (September 28, 2001; Docket No. 00P-1439/CP1) on the same subject. Mr. Matheson indicated that this petition could be withdrawn by this memorandum of telephone conversation. Therefore, the Iceberg Industries Corporation petition is hereby withdrawn and Docket No. 00P-1363/CP1 is closed.
