Dear Dr. Kahl:

McLind Corporation wishes to notify the Food and Drug Administration that it plans to commence marketing a dietary supplement, which bears a statement under Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act.

The dietary supplement for which the statement is made is Natural Whey Protein. The dietary ingredient that is the subject of the statement is whey protein and fructose. The statements read as follows.

"Lindberg natural whey is mildly sweetened with fructose, which has a low-glycemic index. It is broken down for energy more slowly than other sugars. As a result, you will enjoy a more stable blood sugar for longer lasting energy."

This statement is accompanied by the required disclaimer, which is prominently displayed in bold-faced type.

This information contained in this notice is complete and accurate and the above statement is based on data, which renders these statements substantiated, truthful and non-misleading.

Sincerely,
McLind Corporation
