Re: Notification of Product Claims

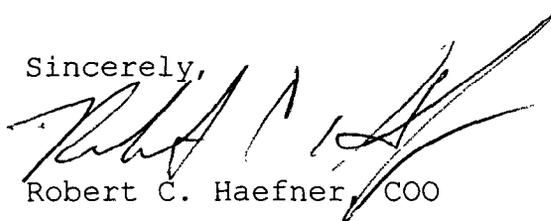

Dear Sir or Madam:

This letter serves as thirty day notification, pursuant to Section 6 of the Dietary Supplement Health and Education Act, of the nutritional support label statements being made by 24-7 Nutritionals, Inc., located at 711 South Carson Street, Suite 4, Las Vegas, Nevada 89701, in connection with the marketing of a dietary supplement under the name LibidoFuel. A list of the product ingredients and nutritional support statements are set forth in the attached Exhibit "A".

The undersigned certifies that the information contained in this notice is complete and accurate and that the company maintains documentation to substantiate that its product claims are truthful and not misleading.

If you have any questions, please feel free to contact the undersigned.

Sincerely,

Robert C. Haefner, COO

LET

9938

Exhibit "A"

Product: LibidoFuel

A dietary supplement containing Vasx (a proprietary blend consisting of cassia tree, dodder seed, epimedium, wolfberry, saling, cistanche, mangoliavine fruit, red raspberry, narrow leaved polygala, rehmannia root, eucommia bark, hindo lotus seed, bidemate achyranthes, oleaster bark, milk vetch seed, cherokee rose and arborvitae seed), American ginseng and ginkgo biloba.

Statements of Nutritional Support:

- LibidoFuel
- Sexual performance enhancer
- Both men and women alike have turned to LibidoFuel with Vasx to help enhance their sex lives. With the hectic pace of modern life, we often experience pressure and stress which can effect sexual stimulation and enjoyment. LibidoFuel works with the body to enhance its own natural sex drive allowing you to experience longer periods of sexual stimulation by increasing blood flow to specific areas of the body.
