RE: Notification of Nutritional Support Statements

Dear Sir or Ma'am:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Cherry Fruit Extract 500mg a dietary supplement. Source Naturals® is the manufacturer of Cherry Fruit Extract 500mg.

Statements being made in the labeling of Cherry Fruit Extract 500mg:

- 1) Source Naturals Cherry Fruit Extract provides a natural source of flavonoids that act as antioxidants, providing protection to different systems in the body including joints, connective tissues and arteries.
- 2) Naturally occurring antioxidant components, such as flavonoids, can help to protect cells from free radical damage in the body.
- 3) Cherry Fruit Extract also helps to support the body's natural system of metabolizing uric acid.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.

  
Ira L. Goldberg  
President, Source Naturals®
