Re: Structure/Function Label Claim

This letter is to notify the Food and Drug Administration that within the past 30 days our company has begun to market **FloraCal** Dietary Supplement, with the following statement(s) of nutritional support included on the label and in labeling for the product:

1. These important vitamins and minerals support bone health, strong teeth and muscle development.\*
2. Calcium citrate is a highly absorbable form of calcium while calcium phosphate supports the proper metabolism of calcium and helps maintain the correct balance.\*
3. Red clover blossoms make this formulation especially helpful during menopause.\*

The dietary ingredients of the product that are the subject of the above statement are: Vitamin D, Calcium (citrate/phosphate), Phosphorous, Magnesium, Zinc, Manganese, Potassium, Silica, red clover blossoms.

It is hereby certified that the information in this notification is complete and accurate, and that our company has substantiation that the above statement(s) is truthful and not misleading.

Very truly yours,

Flora Inc.
