Re: NATURES CALCIUM™

Ladies/Gentlemen:

This is to notify the Food and Drug Administration that our company has begun to market NATURES CALCIUM™ Dietary Supplement, with the following statement of nutritional support included on the product's label:

NATURES CALCIUM™ is high quality, pure concentrated source of calcium with at least 17 micromineral nutrients to support body structure and function.

It is hereby certified that the information in this notice is complete and accurate, and that our company has substantiation that the above statements of nutritional support are truthful and not misleading.

Very truly yours

Natures Benefit, Inc.

www.naturescalcium.com

NATURES CALCIUM™ is a high quality, pure concentrated source of calcium with at least 17 micromineral nutrients to support body structure and function.*

Support healthy bones and teeth.

Compare NATURES CALCIUM™ to other natural supplements which can be an unwanted source of heavy metals.

*This product is not intended to diagnose, prevent or treat any disease. These statements have not been evaluated by the FDA.
