Re: ZANASEC™

Ladies/Gentlemen:

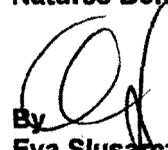

This is to notify the Food and Drug Administration that our company has begun to market **ZANASEC™** Dietary Supplement, with the following statement of nutritional support included on the product's label:

ZANASEC™ is nutritional support to modulate the body function of acid secretion by the stomach.

It is hereby certified that the information in this notice is complete and accurate, and that our company has substantiation that the above statements of nutritional support are truthful and not misleading.

Very truly yours

Natures Benefit, Inc.

By 
 Eva Slusarczyk

97S 0162 LET 13019

Zanasec™ is nutritional support to modulate the body function of acid secretion by the stomach. It has immediate and potential delayed effects on gastric acidity. Components of Zanasec™ (fava bean cur) have acid neutralizing functions.*

*These statements have not been evaluated by the FDA. This product is not intended to prevent, treat or cure any disease.
