I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have been on Natural progesterone
for several years now through Madison
Pharmacy Assn.; I cannot tell you the
difference it has made in my life! I
was a basket case before, now I feel
like a normal person. I do not
want that right taken away!!
