Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: If the FDA wants to protect me, the consumer, then label all that genetically altered food! ~~and~~ Do not play into the hands of big monopolies by interfering with the shipping of prescriptions across state lines. Do not enact the Draft M.O.U.!
