Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have used compounded medications for the past four years. This prescription has made a difference in the quality of my life and my health. I cannot get my medication from a commercial manufacturer or from a local pharmacy. Please do not take away the medication my doctor has prescribed for me and that I can now obtain and need so badly.

Thank You
