I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

My Compounded prescriptions  
relieves my symptoms & makes it possible  
for me to live normally throughout the  
month. Having had severe reactions  
to synthetic hormones I am ecstatic  
that I have another choice of medication.  
I feel like my old self again.  
You can't get any better than that!
