I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I choose to buy my hormone therapy from Madison Pharmacy in Wisconsin, because it comes in a more natural form. I really need the hormone they ship me, there is no other place I can obtain it. I don't think your proposal is a wise one, because it doesn't serve taxpayers like me.
